We received the new EX90 but it doesn't have the AC Adapter which seems to be also failing. Does anybody know the part number of the AC Adapter so we can order it? We did receive the power cord but it doesn't help as the AC adapter is faulty. I can't find the information on the datasheet nor the installation guide. Thanks.

### Solved: EX90 AC adapter part number - Cisco Community

Yes, you can. It's mentioned in the EX Series data sheet in Table 1, listed under "PC and second-source video input". Refer to the EX90 Install Guide on pg 5, you would connect your PC to the HDMI Input, this would also allow you to share your computer screen to others during a video conference as well.

### Dual Display Option on EX90 - Cisco Community

The EX series touch device works in all C codecs. The only caveat is that the handset will not work when using the PoE adapter. The PoE adapter cannot be used when connected the touch 8 to an EX codec as the codec does not have an Ethernet port capable of pairing & the power from the EX & the PoE would most likely blow out the touch device.
