Disappearedthe Kim Echlin

The reason I chose to buy and read *The Disappeared*, the 2009 Giller short-listed novel, is that I expected the author Kim Echlin, 54, would supply a few insights into the Cambodian war of the 70s and 80s. Instead, the story turns out to be a search for a Montreal woman's lover, a Cambodian student with whom she falls in love at the age of 16.
