Give each table a heading (caption). Add a reference to the table source at the end of the caption if necessary. Number tables consecutively using the chapter number (e.g. Table 1.1 for the first table in Chapter 1) and ensure that all tables are cited in the text in sequential order. Do not write "the following table".

How to End a Memo. Notice that there is no closing signature in a memo, as there would be in a business email or business letter. The best ending for a memo is a clear closing action, stated in the last paragraph. And, be very clear about what you want your reader to know or do after reading the memo, which makes it easy for your reader to respond.
