Interpreting Reality Finding Peace: Investigating ...

The Importance of Investigating the Reality of a Situation. Inner peace is related to mental calmness. Physical experience doesn't necessarily determine our mental peace. If we have mental peace, then the physical level is not so important. Now, do we develop inner peace through prayer? No, not really. Through physical training? No.

Overview of the PEACE Method: investigative Interviews

Survey, in this stage all the information must be seen together, thus a view can be taken on the gravity of the evidence and to find out different hypothesis.

Summary is a production of an overview of the case and recommendations for further investigation (Milne & Bull, 1999, Webber,2010).

The PEACE Investigative Interviewing - UKessays.com

PEACE Model of Interviewing. One method of investigative interviewing, known as the PEACE model, assumes the above: that a relaxed subject with whom the interviewer has rapport, is more likely to cooperate. Not to mention that it's far pleasant for both parties if the atmosphere isn't charged with aggression and intimidation.
