Language and Symbolic Power by Pierre Bourdieu. Jul 26, 2018. Aug 11, 2018. Literature is Living Desca's Library. For years, I admire several post-structuralists such as Jean Baudrillard, Michel Foucault and especially Pierre Bourdieu for their contribution to the world of critical theories. Regarding to Bourdieu, what I love the most from him is how he challenges Ferdinand de Saussure and Roland Barthes by connecting the linguistic sphere with the socio arena.

The concept of symbolic power was first introduced by French sociologist Pierre Bourdieu to account for the tacit, almost unconscious modes of cultural/social domination occurring within the everyday social habits maintained over conscious subjects. Symbolic power accounts for discipline used against another to confirm that individual's placement in a social hierarchy, at times in individual relations but most basically through system institutions, in particular education. Also referred to as so
