The Isuzu Trooper is a mid-size SUV that was produced by the Japanese automaker Isuzu between 1981 and 2005. There were two generations of Trooper, the first being produced from 1981-1991, and the second being produced from 1991-1997 with a substantial refresh in 1998 until the cessation of production in 2005. It began as a rather basic and somewhat underpowered on- and off-road vehicle, offered only with four-cylinder motor, five-speed manual transmission, and part-time four-wheel drive.
