Because this site is dedicated to free books, there's none of the hassle you get with filtering out paid-for content on Amazon or Google Play Books. We also love the fact that all the site's genres are presented on the homepage, so you don't have to waste time trawling through menus. Unlike the bigger stores, Free-Ebooks.net also lets you sort results by publication date, popularity, or rating, helping you avoid the weaker titles that will inevitably find their way onto open publishing platforms (though a book has to be really quite poor to receive less than four stars).

## Paper Sunflower Pattern

My DIY paper sunflower design is unusual in that it is much bigger and more robust than many of my paper flower patterns. It was a challenge to design a paper flower with such substance; the diameter is as big as my hand yet it has to stand tall on the floral wire! I love using metallic paper for the way it reflects the light and this soft ...
