### Saints Astray Santa Olivia 2

Saints Astray is a fun follow-up to Santa Olivia, following Pilar and Loup as they find a way for themselves in the wider world outside their cordoned off district. Refreshingly, after the ups and downs of their relationship in Santa Olivia, the two are devoted to each other and while they do experience moments of doubt, these are quickly put to rest.

### Saints Astray (Santa Olivia, #2) by Jacqueline Carey

And I read Santa Olivia, Carey's tale of a genetically modified girl trying to escape her disenfranchised border town, in a single sitting. If all of the above weren't true, however, I probably wouldn't have finished Saints Astray, the sequel to Santa Olivia. Loup, the genetically modified girl, is still a fun character.

Santa Olivia is a novel by Jacqueline Carey, the first in a series that is continued by Saints Astray.. Plot summary. Set in a future dystopia United States, the town of Santa Olivia is effectively a desert war zone where people have no rights and legally no longer exist, with the town's name even being changed simply to "Outpost No. 12".

**Santa Olivia - Wikipedia**

SAINTS ASTRAY is a more than worthy sequel to SANTA OLIVIA, and once again strikes a great balance between mushy love and 'shoot em in the face' action. Again, if you can get the audio version, do it, as the reader is amazing and those mushy scenes are about a billion times hotter when they're being read to you.

**Review: Saints Astray by Jacqueline Carey**

Recently through a Facebook contest, Carey offered fans the chance to choose a new name for the sequel to Santa Olivia, as her publishers were not happy with the working title. The new title of Saints Astray was announced on her Facebook fan page on August 27, 2010. Carey's first standalone novel, Miranda and Caliban was published in 2017.

**Jacqueline Carey - Wikipedia**

But there was the Santa Olivia business from years earlier, when Loup and the other Santitos, the Little Saints of Santa Olivia, had administered what the Father called vigilante justice to a couple of soldiers. Although it was never proved, the orphans under the church's care had succeeded in helping Loup impersonate the town's patron saint.

Saints Astray is a direct sequel to Santa Olivia. Unless you have already read and loved Santa Olivia, there is absolutely no point in reading this book. This book didn't need to be written, and that's its biggest issue.
