Law vs Policy. What's the Difference? - Career ...

Key difference: A policy is a document that outlines what a government is going to do and what it can achieve for the society as a whole. A law, on the other hand, is a system of rules passed by the government. Laws must be obeyed by all, including private citizens, groups and companies as well as public figures, organizations and institutions.

Difference between Law and Policy | Law vs Policy

Law and policy are among the most effective tools to improve health. Many of the greatest public health successes in the United States are the result of legal or policy interventions, such as smoke-free air laws and mandatory seatbelt laws. ¹ Yet many people may not be aware of the precise impact these interventions and approaches can have on population health.
