The groundbreaking game that makes learning to read fun • Covers everything from letters and sounds to reading full sentences. • Designed in collaboration with leading academics. • Complements all synthetic phonics programmes used in schools.

Teach Your Monster to Read: Free Phonics & Reading Game

Students learn through the process of playing the game. By playing a game, students may be able to understand a new concept or idea, take on a different perspective, or experiment with different options or variables. For example, in my beginning Spanish classes, I often played a card game the first week of school.

Why Use Games in Your Classroom? | Education World

A quick and simple game which never fails to motivate students in their learning. Resources: whiteboards and pen or paper and pen/pencils, plus a list of subject-specific terms or concepts e.g. numbers, phonics, key vocabulary, scientific formulae or historical figures.
