The Little Book of Captain America

The book is everything that an early years reader who enjoys Marvel will love. My little boy is still at nursery and has these read to him at bed time. With colourful pictures, it provides the right type of text and simple story for non or early readers. Hard cover with paper pages, it will also last well.

The Little Book Of Captain America Book blue hardcover

From the very first issue of pulp impresario Martin Goodman's Marvel Comics in 1939, the comic book creators of Marvel's Golden Age flipped the traditional fantasy script by placing the inhuman and the invincible into the real world. With the likes of the fiery android Human Torch, vengeful sea prince Sub-Mariner, and pip-squeak-turned-paragon Captain America, Marvel created a mythological ...
