The Lurker at the Threshold by August Derleth

I think THE LURKER AT THE THRESHOLD has stayed in-print since its initial publication, a remarkable feat. If you are looking for a book by Lovecraft, don't buy this book. But if you want a fairly good and imaginative novel in the Cthulhu Mythos tradition, one that is rich in imagination and well-written, this is a good book for you.

Lurker in the Threshold is a small expansion so consists of new cards, tokens and game mechanics and no new board. We played with just the basic game and the Lurker expansion. I always like to play new expansions on their own with the basic game the first time so it's possible to really see what they're like.
