The Man I Think I

At its heart, The Man I Think I Know is a book about an seemingly unlikely friendship between two very different men however James and Danny are more alike than first expected. I'm not going to go into the details of James' and Danny's characters as the beauty of this book is the reader finding out for themselves.

The Man I Think I Know by Mike Gayle - Goodreads

"The Man I Think I Know" may be the best of all his work. A book about a friendship between two men is rare enough, much less one with the heart and soul of this book. The main characters Danny and James are believable and not just paper cut outs you find in most books, you empathize with them and their struggles.
