The music industry also got smarter. Madonna—not to be fooled again—had seemingly leaked tracks off American Life posted on KaZaA ahead of the 2003 album's release, but when users downloaded and played the files, all they heard was the singer saying "What the fuck do you think you're doing?!" Nevertheless, she was outsmarted: A few days after Madonna's prank, a hacker took over ...

Napster forever changed the music industry—and Radiohead's ...

To make something clear from the start—music is not a business. Music is an art form. A business has formed around music, but music can (and does) happen whether or not anyone ever makes money at it. However, if you are a musician in our culture, and you desire to do music as a full-time career, you need to learn to approach music as a business—to see yourself and your music through a ...
