"In The Serpent's Gift, Jeffrey Kripal provocatively advances a practice he names 'academic gnosticism.' Through such a method, he seeks to move beyond some of the obstinate binaries that have preoccupied, and sometimes thwarted, scholars of religion.This lively, accessible, and delightfully transgressive book also explores how the academic study of religion itself is implicated in, indeed emerges out of, some of the heretical subject matters it tries objectively to understand.In ...

University of Chicago Press, 232 pages, \$24. Jeffrey Kripal's The Serpent's Gift is a fascinating meditation on gnosticism, sexuality, religious studies, and life in general. It will intrigue, challenge, provoke, and (possibly) alarm or offend the reader, but all for the sake of an important quest for a new way of thinking through, and drawing together, our currently disparate studies of religion, mysticism, theology, and human and divine realities.
