Through The Breach A Malifaux

Through the Breach takes place in the world of Malifaux, where steam power collides with magic, monsters, and the wild west. The world of Malifaux is adjacent to Earth, and a portal known as the Breach allows free passage between the two worlds. Those arriving through the Breach will find the Gothic city of Malifaux waiting for them, and this city serves as the backdrop to many of the ...

The Core Rules contains all the information one needs to run a game of Malifaux, combining all of the material that previously would have been found within the Fated and Fatemaster's Almanacs. As previously stated, the rules for Through the Breach are based very closely on the Malifaux miniatures game.

Malifaux Musings: Through the Breach Core Rules Review

Through the Breach (TTB) Wyrd came out with a pen and paper RPG for the world of Malifaux, Through The Breach. First, the character creation is simple and fresh. Characters are made from a tarot-like set of cards picked from a deck. Each portion of the Tarot provides a different set of attribute points, skills, etc. which the player may ...

Through the Breach - 1d4chan

Overall, Through the Breach seems like an innovative and well-made game. I'm not a fan of steampunk in general, so I'm not sure if the Malifaux setting is a very original take on the genre, but the well fleshed out backstory presented in the Core Rules seems like an interesting portfolio from which to pull characters and adventure backdrops.
